CURTAIN POLE RINGS

Our Curtain Pole Rings are manufactured with integral moulded eyelet to suit a range of Poles between 19mm to 35mm. Moulded in black, white, various wood effects and colours with the option of vacuum metalizing in brass or chrome effect.

45MM FINE POLE RING

This ring has quickly become a popular alternative to metal rings and was designed specifically to suit 19mm black iron curtain poles. Its slightly textured finish eliminates any unwanted shine and blends well to a black metal pole. Other finishes include silver, pewter and gold.

DESCRIPTION	CODE	INSIDE DIA.	OUTSIDE DIA.	SACK QTY.
45mm FINE POLE RING	50021	27.8mm	39.5mm	5000
